Dear Mayor Cari:

What marks the excellence of a city is not just in the economic growth of the community, but in the success of the people who reside in it.

The Professional Regulation Commission (PRC) recently conducted the May 2018 CPA Licensure Examination (CPALE) last May 13, 20 and 21, 2018. Out of the 9,830 examinees, only 2,843 or 28.92% passed the said examination.

The University of San Carlos, being a consistent top performer of the CPALE, boasted a 100% passing rate for first time examinees, with eight (8) topnotchers coming from the same school. One of those topnotchers is **Miguel Albert M. Taveros**, a resident here in **Baybay City**, who managed to place Eighth (8th). He is a Magna Cum Laude of the University of San Carlos and the High School Class Valedictorian of Visayas State University Laboratory High School batch 2013.

It is my understanding that residents of a City or municipality who place in a Licensure examination are given Excellence awards in the form of plaques and cash grants. In fact, the City of Lapu-Lapu awards ₱100,000 and a plaque of recognition to its resident Board Placers whereas the City of Cebu awards ₱50,000 and a plaque of recognition to resident Board Placers.

In light of the aforementioned, I would like to respectfully inquire if the City of Baybay, one of the premier cities in Leyte, is awarding this form of grant or award.

Attached are documents for your perusal which may be useful for your office. I understand that there may be other documents that you may request in order to verify any information you wish to check. This is to inform you that I am more than willing to furnish those documents for you and your office.

I also understand that there may be a ceremony held to award the board placer or newspaper coverage for the residents of Baybay City. This is to inform you that I am able to participate in any and all media coverage your office may deem fit.

If you have any concerns or queries which your office may wish to address, please do feel free to reach out to me through either the following given contact number/e-mail address: **0943-449-9988 or taveros.miguelalbert@gmail.com**.

In anticipation of your positive response, I would like to convey our deepest thanks.

Respectfully yours,

Miguel Albert M. Taveros
